

# Supplemental Parts

## Reagent Shelving

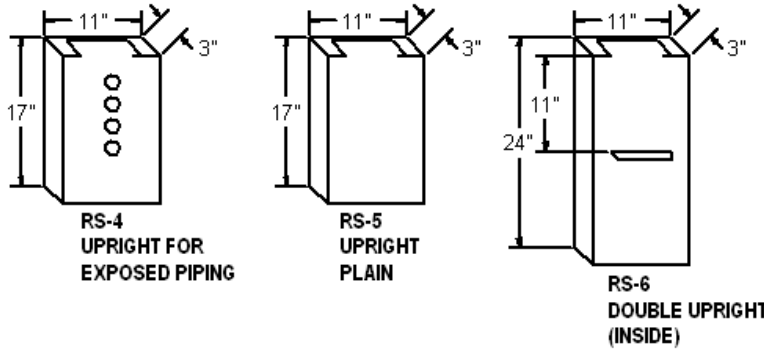

Reagent Shelving can be added to wall or center assemblies for additional storage space where supporting walls are not available. Reagent shelf supports and fascia panels are furnished in painted steel ... finished in any of our standard colors. All reagent shelf supports are available for wall table use also—they are furnished 8" wide and may be specified by adding "WT" to end of catalog number, i.e.: RS-5-WT

## REAGENT SHELF SUPPORTS FOR USE WITH FASCIA PANELS FOR SERVICES

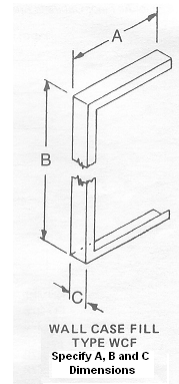

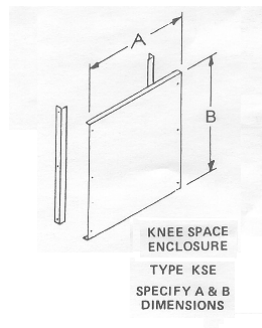

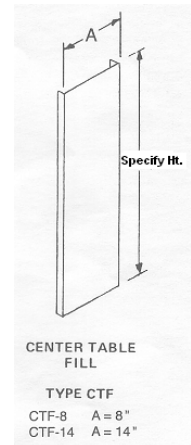

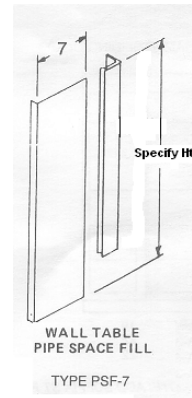

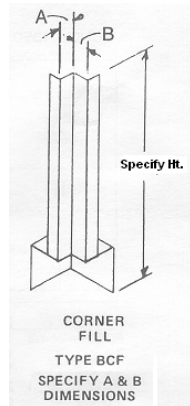

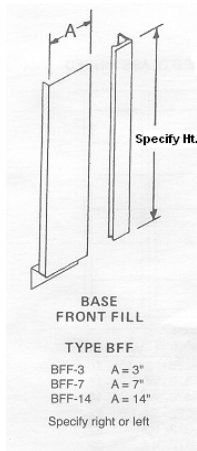

## REAGENT SHELF SUPPORTS FOR SHELVING ONLY

RS-7  
DOUBLE SHELF  
UPRIGHT (OUTSIDE)
